OPPERATION INSTRUCTION

NINE COATING WATER TREATMENT

9's

Using the patented technology of water-milk transfer, deepen the hair quality, repair the damaged hair core structure, and resurrect the smooth and shiny hair!! It takes only 9 seconds every day to turn the broom head into a goddess hair !
 "9 seconds goddess water" will react when it meets water, and it will become a white emulsion. The essence will be perfectly penetrated into the core, and the damaged hair of the core structure will be repaired one by one.

INSTRUCTION

After washing your hair, use 9-second hair care essence when your hair has water. Be careful not to rub it into your scalp. After 9 seconds of massage, you can pass the water. Can be used instead of conditioner.
